The seventy-two-year-old father fate is position keenly, and when he canced to meet J. K. Turner, a former Pittaburg neighbor, he was delighted. He and conversed with Turner, and told the latter he was terribly upnet by the turn events had taken. He wanted Mr. Turner's company.

When the newspaper men sought the old father out he was quite agreeable and shook hands with every one present. He said: "I would, of course, consent to the marriage of my son to Miss Arnold, but I hope to be able to impress the public with the fact that myself and my wife are not in any way seeking an alliance with the family of Mice Arnold for any personal reason."

### Wants to See You.

"George wants to see you fellows," he "We wan this thing over with and added. "We want this thing over with and don't want you to think we are concealing something."

He escorted the reporters to his son's room and sat in approving shence throughout the interview.

"I had not intended making a statement at this time," the younger Griscom said, "but I am placed in a had posttion if I do not. I would much rather be kept out of it, but I see you construe my coming here as being intended to mislead you and that I know where

Dorothy Arnold is." After he had made the declaration that he would marry Dorothy Arnold he was saked: "Is the girl fond of you?" Griscom shook with lauvitter as he

sispped his hand down on a table. What do you think of that, father?" he chuckfed. Father merely shook his head and advised George to tell the rewspaper men the facts and and the tha

### A Go den Opportunity.

The President dwelt at some length on the lumber schedule. He spoke of the diminishing supply of timber in the United States, and said the people of this country should selze the present opportunity to put rough lumber from Canada on the free list.

"We shall be blind indeed," said Mr. Taft, "If we reject this golden opportunity to add to the strength and victity of our country by thus increasing our self-supporting capacity."

President Taft declared that inasmuch as the conditions of production from the United States and Canada "Were substantially the same," the "widest intitude was given Secretary Knox and reduction of duties on goods and prodsets coming into this country from Canment of the same duty, or freedom from
